Helux™

SOLAR MOTORIZED

SOLAR POWERED
Powered by the sun means renewable energy and no external power source needed under normal usage

SOLAR POWERED LED LIGHTS
Light up the night with our patented solar-powered LEDs.

- Has 5 dimmable settings so you can choose the perfect light source
- Our LED system is fully integrated with our solar recharge innovation
- Our LED system offers an upper and lower LED lighting system
- The LED lighting is an option for all finishes and canopy sizes
- Able to control LED lighting with the app

MOTORIZED
Can be controlled by button, app, remote, smart home devices or 3rd party systems

CANOPY DESIGN
Octagonal Design
Available in 7ft., 9ft., 10ft., or 11ft.
2 Fabric types available

- Outdura® -100% Solution-Dyed Acrylic available in 12 colors *(See page 11)*
- Yarn Dyed Polyester available in multiple colors *(See page 11)*

WIND DETECTION SYSTEM
In high winds, umbrella will close automatically

ELAN · Google Home · Control4 · alexa · LUX

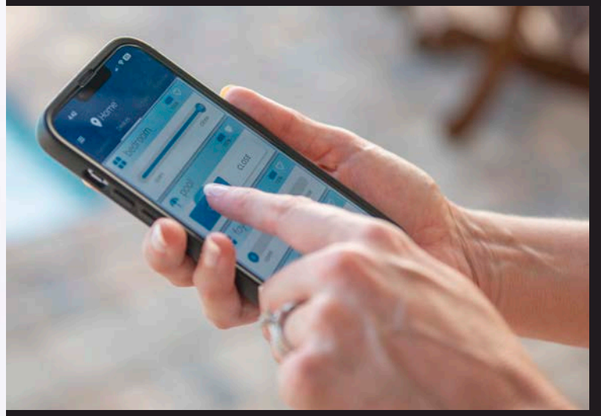
DURABLE FRAME
Made of eight 1/2" diameter fiberglass rods for enhanced integrity in high winds

STRONG SUPPORT
1½ in. rust-resistant powder-coated aluminum center pole

THREE HEIGHT OPTIONS
Available in three different heights: table, counter, and bar.

MATCHING POLE & FRAME
Available in white, bronze, or black

NOTE: The Helux™ umbrella comes with a 3-year warranty, 5/10 year on canopy fabrics



The Helux™ Solar Motorized Umbrella's canopy is designed around our exclusive solar-powered technology that can be controlled by an app, a remote, smart home devices or 3rd party systems.

A supportive rust-resistant base is available for purchase separately. *(see page 10)*

To watch the Helux™ Motorized in action, scan the QR code.

Helux™ MANUAL

THREE HEIGHT OPTIONS
Available in three different heights: table, counter, and bar.

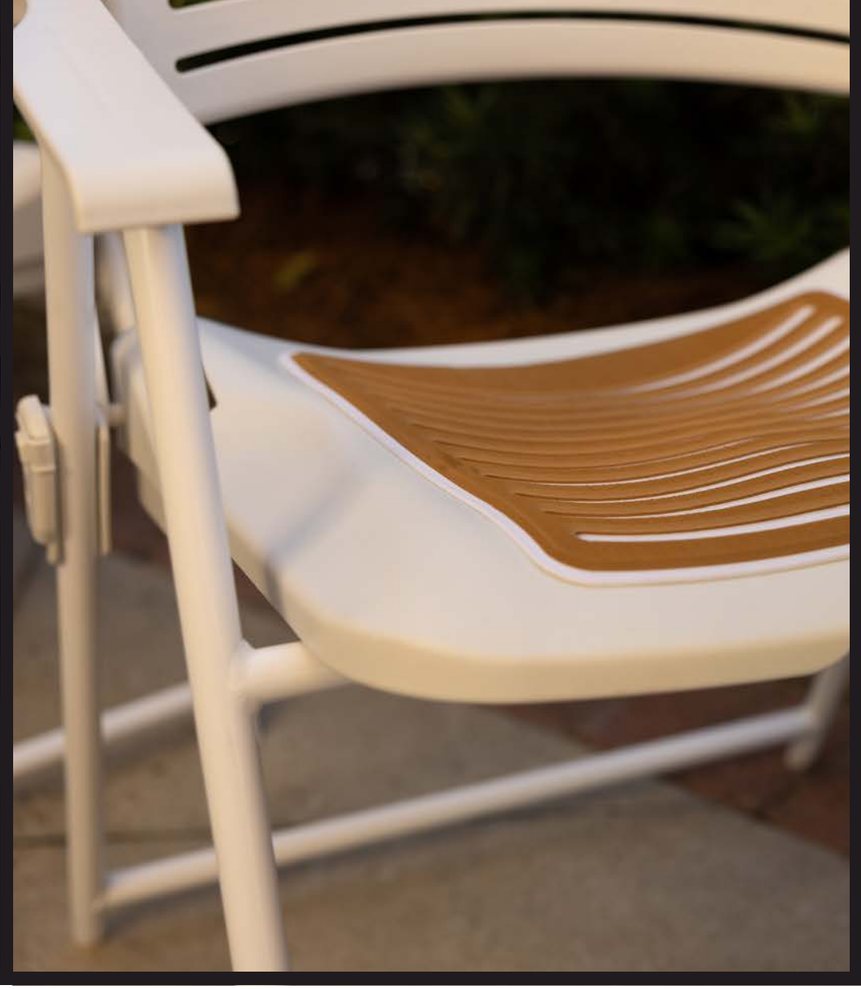
MATCHING POLE & FRAME
Available in white, bronze, or black

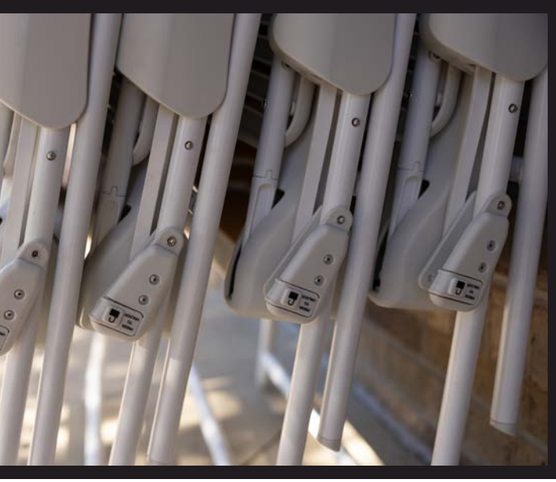
NOTE: The Helux umbrella comes with a 3-year warranty, 5/10 year on canopy fabrics

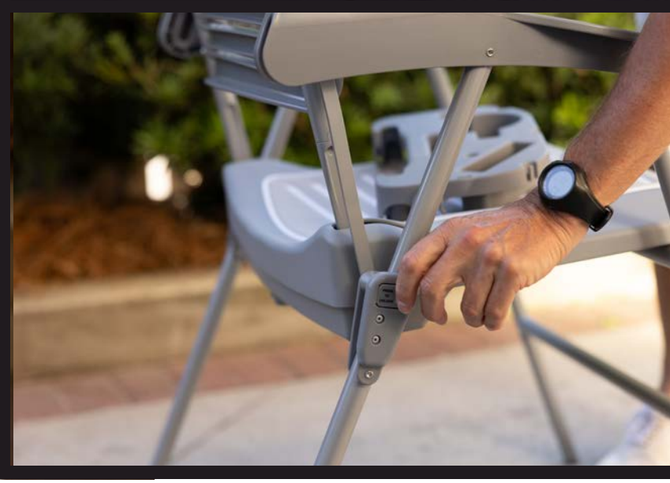
We refined the umbrella with the Helux™ Manual, so whether it's a residential or commercial setting, it will enhance time spent outside. The Helux™ Manual canopy is designed around our exclusive counter balanced spring, so it can be opened or closed with the touch of a finger.

A supportive rust-resistant base is available for purchase separately. *(see page 10)*

To watch the Helux™ Manual open with the lightest touch of a finger, scan the QR code.







Bootsie™

An outdoor chair with patented dynamic reclining capability, this chair easily folds for ease of storage or transportation

- A patented smooth tension adjustment allows you to find the perfect comfort
- When folded, the chair presents an ergonomic handle to lift and carry the chair
- The nylon feet prohibit sliding or marks on any surface
- Reclines from 11 degrees to 30 degrees.
- Back is designed to articulate with you as you recline – no shirt pulling
- Powder coated aircraft grade aluminum frame
- Self-locking when open to prevent chair from folding while in use
- EVA Pad is UV and stain resistant

Gray

White

Available in gray and white with 4 different EVA PAD color choices

Dark Gray / Black

Light Gray / White

Teak / White

Teak / Black

Tray/Cupholder accessory available in matching Gray or White

HELUX™ TABLE

The HELUX™ Table is a pedestal table designed specifically to integrate seamlessly with our HELUX™ umbrellas, no legs means maximizing leg space plus our textured table top reduces sliding of glassware or plates. We offer this table in a 30" which works perfectly for cocktail or bar height and our 40" creates a perfect setting for entertaining and meals.

STORAGE

Umbrella cover is included for further product protection.

Protect from dirt, dust, and other outside elements while not in use.

This cover, made of durable materials, is designed for ease of application.

An internal fiberglass rod adds vertical reach and effectively promotes safety while you cover your umbrella.

Our extraordinary inventions. So far.

We constantly invent new products that add luxury and convenience to our customers' lives. We are also committed to refining and adding new innovations to our products as the home furnishings industry and customer needs change.
