

Power & Communication Panel

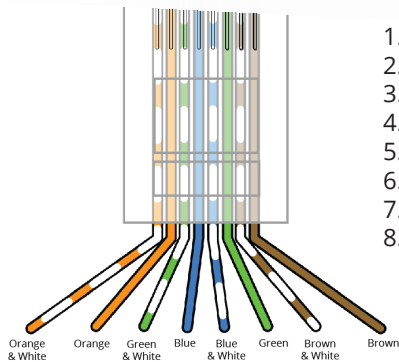

The Current Luxury power and communication panel is used to power and control applications where wire is run directly from a central location to each device. Up to eight Zigbee Current Luxury devices can be run from a single box, and up to 20 boxes can be daisy chained together. Maximum run length with CAT5E and CAT6 cable is 250ft.

DIMENSIONS & WEIGHT

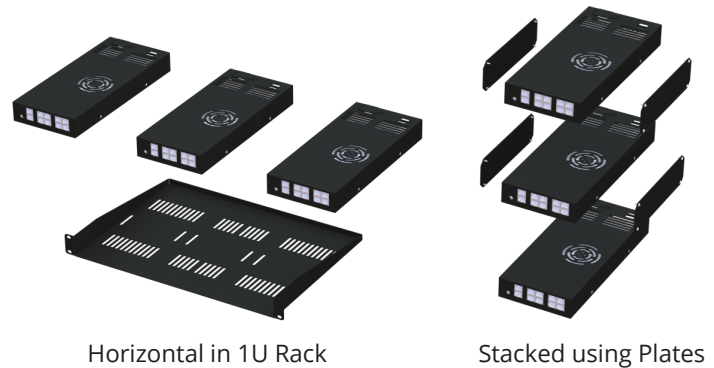

Height	1.6"
Width	5.5"
Depth	12.5"
Weight	3.26 lbs
